

SOLUTIONS

MANUFACTURING AND LOGISTICS SECTOR

We know what's crucial to you.

The main objective of all Supply Chain Management systems is **to place the right item at the right place and time**, maintaining **the lowest possible cost** of the process. Proper central management enables deep insight into resources and tasks, minimises coordination mistakes, and make the parties participating in the process more reactive. That's why CFT in partnership with

MEB Consulting (mebcglobal.com) and Strategix (strategix.com) chose to implement Supply Chain Management solutions by **JDA** (jda.com) for their customers.

This is why it is worth implementing JDA SCPO with CFT:

- CFT is more effective implementing JDA solutions relying on our knowledge and 20 years of hands-on experience,
- CFT consultants are top professionals in their core specialities,
- Knowledge of local market,
- projects can be run the in local languages
